Dear Dr. Humphrey:

This is to let you know the results of this Agency's review of the classified documents that Dr. Wayne Thompson, United States Air Force historian, selected from your records as part of his research for an official history on the air war in Vietnam. I shall enclose a copy of our letter to Dr. Thompson, noting those CIA-originated documents that have been released (at their existing classification), and those that have been denied, for use in this project.

We appreciate your help.

Yours sincerely,

/s/

J. Kenneth McDonald  
Chief Historian
